## **CBRE ANNOUNCES THE SALE OF TALLEYRAND APARTMENTS IN TARRYTOWN, NEW YORK TO THE DSF GROUP**

**Tarrytown, NY (March 15, 2018)** – CBRE Group, Inc. announced today that Jeffrey Dunne, Gene Pride and Eric Apfel represented the seller, a U.S.-based REIT, in the sale of Talleyrand Apartments, a 300-unit multifamily community located in Tarrytown, N.Y., to an affiliate of The DSF Group.

Talleyrand's location in Tarrytown benefits from an excellent school system and provides convenient access to Midtown Manhattan via the Metro North Railroad, which gets commuters to Midtown in approximately 30 minutes. An additional benefit of the location is that Westchester County has experienced strong historical rental growth. Rents in the area have increased by more than 3.1% on average since 2009, as there is limited new supply in the region due to the high barriers of entry for new construction.

"We are pleased to have represented our client in the sale of Talleyrand Apartments. There was strong demand for the offering given the fantastic location in Tarrytown, which continues to be recognized as one of the hottest neighborhoods in Westchester with value add potential," said Dunne, a Vice Chairman at CBRE. "The DSF Group will do very well with the asset, as they have a great track record of creating value with similar opportunities. Purchasing the Talleyrand Apartments is a logical expansion of their current Westchester portfolio."

Josh Solomon, President of DSF, continued, "We are excited to further expand our presence within the metro New York market, and we look forward to bringing our amenity-rich Halstead brand to Tarrytown."
